

TRAHERE

PINOT NOIR
2023

This wine reflects the care, time and attention invested in the high-density Spedding vineyard on Main Ridge over many years.

It displays a deep core of dark and red fruits with an earthy, savoury backbone. Bright crushed cranberry and spiced black cherry sit alongside fine, tea-like tannins and subtle cedar.

The palate is focused and precise, showing purity of fruit, fresh acidity and integrated structure that speaks clearly of the site's ongoing evolution.

VINTAGE COMMENT

Higher than average rainfall during flowering and over the course of the season resulted in lower yields on all sites. Flavour and sugar development were prolonged, resulting in more hang time, greater intensity, and drive.

VINEYARDS :: CLONES

Spedding :: Abel 45%, Pommard 36% and Calera 19%

HARVEST DATE :: YIELD

Handpicked 4th and 5th April 2023 :: 1.3 - 3.8t/ha

WINEMAKING

The fruit was handpicked, chilled and sorted carefully on our sorting table before being fermented with indigenous yeasts in stainless steel for 15 days.

After pressing, the wine was transferred to barrel where it was aged for 10 months using 20% new French oak before undergoing a natural malolactic fermentation.

The wine was then bottled, unfinned and filtered.

pH :: TA :: ALCOHOL

3.60 :: 5.9g/L :: 13.0%

BEST DRINKING

2026 - 2036
