

The Hilt Estate

- 200 acres planted on 3600 acres
- Southwest Corner of SRH
- 10-11 miles east Pacific
- Radian, Bentrock Vyds.
- Estate grown & produced
- Natural Farming practices; blend of organic, biodynamic, regenerative

Bentrock Vineyard

- East Vyd, gentle, rolling, protected by Radian, cold, sunny.
- Soil is Compressed DE like Banded Chert, shale clay, and sandy loam.
- Sun and Soil provides Generosity & Depth while Cold climate holds acid in the fruit.

Radian Vineyard

- West Vyd, steep, extreme, diverse, cold harsh winds from the Pacific
- High concentrations of DE ranging from moon dust to stones and sandy loam.
- Cold, Windy, and Steep conditions provide Energy, Tension, and Lively fruit and acid.
