

THE PARING

The vineyard and winemaking team behind JONATA & The Hilt Estate present The Paring; a focused collection of wines with a goal to craft an honest and delicious bottle for every occasion and table.

SANTA BARBARA – CALIFORNIA

THE PARING: In kitchens around the world, the Paring knife has become a chef's staple for its versatility. The Paring wines were created with this same intent. Full of vibrance, complexity, and versatility, the wines are perfect complement to every occasion.

THE SOURCE: The Paring wines are sourced from vineyards throughout California to produce wines that are a true expression of classic California style. Each wine comes from vineyards that are managed closely by our vineyard and winemaking team. Blocks from the select vineyards are designated for The Paring ahead of harvest and made with the same intention and care that goes into the wines of Jonata and The Hilt.
