Best Sauvignon Blanc Central Coast

2021 Flor

“JONATA wines come by their cult appeal for good reason. It doesn’t hurt that the man behind the winery, Stan Kroenke also owns Screaming Eagle in Napa Valley and Domaine Bonneau du Martray in Burgundy. The winemaking team, which consistently turns out quality offerings has another great one with their 2021 Flor Sauvignon Blanc, which has aromas of chamomile flower, lime zest, and white citrus blossoms that transition to balanced acidity and zesty flavors of lime, lemon curd, and grapefruit peel in the palate.”
