2023 JONATA FLOR

Jonata is owned by the proprietor of Screaming Eagle in Napa Valley and Domaine Bonneau du Martray in Burgundy. When Jonata was established, the goal was to make quality wines in the Santa Ynez Valley, and we certainly think they’ve achieved that year after year. Jonata 2023 Flor Sauvignon Blanc is a blend of 85 percent Sauvignon Blanc and 15 percent Sémillon. It has enticing aromas of dried chamomile flowers, lemon curd, lemon zest, and honeysuckle with a rounded mouthfeel and flavors of lemon-lime, lemongrass, pink grapefruit, and tropical fruits.”
