2023 LA SANGRE DE JONATA SYRAH

“The Blood”

WINEMAKER NOTES

Mesmerizing aromas. Creosote and violet candies. Perfumed and inviting. Supple and hydrated. Full of vitality. As concentrated and intense as any Sangre to date. Oozes black fruit and black spice. Cracked pepper, blackberry, jasmine and smoked meat. Black truffle and blood orange. Kalamata olive and dried Mission fig. Striking in its unbridled expression of both massive dark fruit and complex layers of savory elements. Minty and lifted on finish. Remains so light on its feet. You can already sense that this is something very special. The focus on utilizing primarily own-rooted vines for this blend has resulted in an elevated level of seamlessness and expressiveness. This wine absolutely speaks clearly, loudly and purely. An unforgettable Sangre.
