Huia Pinot Noir 2020

Vineyard / Vintage

Although the 2020 vintage proved to be challenging due to a national lockdown, the season was warm and sunny with slightly lower yields. This resulted in lovely clean fruit with great concentration.

Our grapes were sourced from four vineyards located in the Central Wairau, Brancott, and Omaka Valleys.

Winemaking

The fruit was handpicked and destemmed before being crushed into tank and fermented with a mix of wild and organic yeasts. After fermentation the wine was racked and pressed off skins, then matured in a combination of neutral and 20% new French oak barrels for 10 months finishing off with an additional 18 months in large neutral cuve.

Senses

Sight: Deep garnet, clear rim.

Smell: Alpine strawberries. Dark cherries. Violets, Cinnamon. Clove. Hay. Roasted hazelnuts.

Taste: Juicy. Toasted oak. Cherry pie. Wild thyme. Cacao. Five spice. Balanced with long finish.

Suitable for vegans.
