Single Vineyard - Huia Pinot Gris 2024

Vineyard / Vintage

The 2024 vintage started off a bit unsettled during flowering, this led to small yields resulting in great concentration in the final wines. However, a long warm summer with little rain resulted in excellent quality fruit. Our grapes were sourced from well-established vines located in Grovetown in the Lower Wairau Valley.

Winemaking

The fruit was handpicked and partially destemmed before pressing. It was then cold settled and racked into a mix of stainless steel and old barriques before fermenting using a combination of organic and wild yeasts.

Senses

Sight: Pale lemon.

Smell: Baked pear. Short crust pastry. Apple crumble. White blossom. Baking spices. Hot-crossed buns. Grilled orange. Toasted nuts.

Taste: Poached pear. Christmas lily. Star anise. Fresh lime. Racy acidity. Lightly textural. Nice long finish.

Suitable for vegans.
