2020 Riesling

Style: A Riesling that is both delicate and textural.

The minute yields of 2020 have contributed to high acidity, incredible intensity of flavour and ultimately a beautifully balanced Riesling..

Season: The vintage threw up a number of challenges but the weather during the ripening period was extremely kind. February saw perfectly even ripening and resulted in grapes that were small, packed with flavour, and with higher than normal acidity.

Source: Predominantly from a high and cool site in Lenswood.

Vinification: The grapes were all hand picked. Half were whole bunch pressed and half were crushed and pressed, each fermented separately. The wine was blended and then spent four months on lees prior to bottling.

Background: Shaw + Smith have a long standing love of Riesling and believe the Adelaide Hills can produce fine examples with ageing potential. Site is most important, so much so that Shaw + Smith took a Riesling hiatus from 2010 to 2013, until a preferred site was found in 2014.

Serve: A great aperitif or drink with fish and chips. Ideal temperature is 6-8°C.

Cellar potential: Will reward careful cellaring for up to 15 years.
