

## **CABERNET SAUVIGNON**

**Vintage:** 1980

**Grape Varieties:** 95% Cabernet Sauvignon  
5% Malbec

**Comments:** The 1980 vintage was a good one, dry and perfect ripening conditions. The use of Seguin Moreau barrels from France helped lift the standard of oak quality.

**Tasting:** The wine shows tarry leather and tobacco character and has riper fruit character. Quite fragrant, however fruit losing a touch of sweetness.

**Cellaring:** Drink now.
