

1986 Cabernet Sauvignon

REGION
Western Australia

GRAPE VARIETIES
95% Cabernet Sauvignon
5% Malbec

INTRODUCTION
The reputation of Vasse Felix was founded to a large degree, on our elegant, understated Cabernet Sauvignons. Recognisably similar in style to the better Bordeaux blends, the Vasse Felix wine is the result of careful blending of only the finest quality fruit.

This vintage was warmer than usual producing a riper, fuller style than most Cabernets from this vineyard. The wine was aged in new French oak prior to bottling.

WINEMAKERS COMMENTS
Ruby to brick red in colour, fruit and oak flavours have integrated well. Plummy, jammy, earthy, with berry flavours all describe this wine. Slow to open up, a little time in the glass will reward.
