

2026 Classic Dry Rosé

A delicate, refreshing and zippy Rosé. Crafted exclusively from Shiraz, it is lightly perfumed with a pure-fruit palate and poised acidity. This wine is sourced entirely from grapes grown in our own estate vineyards.

APPEARANCE

Pale salmon pink.

NOSE

A light and fresh fragrance full of summer berries, wild strawberry and watermelon rind, with hints of yellow kiwi fruit and Turkish delight.

PALATE

A soft, lovely and enticingly fresh palate with beautiful breadth and a fleshy fruit body. At its heart, a juicy core is balanced by gentle acidity, creating a silky, rounded mouthfeel. Hints of sea spray bring a whisper of coastal salinity, while the soft, dry finish leaves a clean and refreshing impression.

WINEMAKER COMMENTS

Shiraz is harvested early at a lower Baumé to retain natural acidity and enhance freshness and fruit purity. The juice is handled oxidatively before undergoing cool fermentation with carefully selected organic yeast, promoting a wine with both texture and savoury complexity. No oak is used in the winemaking process, allowing the primary fruit characters to shine through.

VINTAGE DESCRIPTION

The season unfolded under mild, steady conditions, with warm dry days, cool nights and ocean breezes allowing fruit to ripen slowly and evenly. Following abundant winter rainfall in 2025, vines entered the growing season with excellent moisture reserves, resulting in healthy growth and generous bunch and berry size. Yields were above expectation, with clean, disease-free fruit of exceptional quality, showing wonderful balance and purity.

VARIETIES

100% Shiraz

HARVESTED

18 February - 19 March 2026

PRESSING

Selectiv machine harvested and whole berry air bag pressed.

JUICE TURBIDITY

Clear 50-100 NTU

FERMENTATION

Clarified juice fermented with organic strains.

FERMENTATION VESSEL

100% Temperature controlled stainless steel tanks.

MATURATION

Stainless steel tank

BOTTLED

11 May 2026

TA 4.8g/L PH 3.45

RESIDUAL SUGAR 1.7g/L

ALCOHOL 12.5%

VEGAN No

CELLARING Fresh on release, drink now until December 2027
